REGISTRATION DEADLINE EXTENSION

15th February 2026

The Botswana Open University (BOU) would like to inform its students and valued customers that the registration deadline for Semester 2 has been extended to the 15th February 2026. This is applicable to continuing and retake students.

The payment and registration are accessed and processed on the website at www.bou.ac.bw, under Online Services.

Students are also informed that the piloting of a flexible tuition fees payment plan that was started in July 2025 continues for Semester 2 (2026). Please note that this is only applicable to new students who registered in July/August 2025. The affected students are;

1. Those who were approved and utilised the plan.
2. Those students whose payment plan had been approved but could not utilise the plan.
3. Those who had not applied but would like to utilise the plan.
4. Students are encouraged to contact their Regional Campus to apply for the payment plan prior to registration. This step is essential to confirm the account status and explore available options to support the registration process in line with institutional guidelines.

For further information please visit any BOU Regional Campuses or contact the following:

M. Keatloletswe	- 3646150	- Gaborone Regional Campus
B. Simane	- 6517248	- Kang Regional Campus
