SECTION B**CASE STUDY:****20 MARKS**

Instructions: Read the case study below and answer the questions that follow

Pako is a teenage father of a little preschool boy named Segó. He left Segó at the age of eight months to go and continue with his studies abroad. When he left, Segó cried very much. He had never had time to visit the child during all the three years of his studies. Just before returning home after his studies, he bought nice toys and clothing for Segó. He travelled back home anxious to meet his son only to find that Segó did not care about him anymore. The baby cried when his father wanted to carry him. The father became very worried and asked Segó's mother, "what happened?"
